The FIRM'S Ultimate Adventure Experience is sure to get your heart pumping and adrenaline flowing.

TWO DAYS, FOUR ADVENTURES, ONE LOCATION

RACE A RALLY CAR

Learn to slide sideways in a race prep rally car, then put your skills to the ultimate test on our road course in a 350 HP Subaru STI. You'll learn the dynamics of multi-surface traction control, weight transfer, energy storage, threshold braking and vehicle preservation from one of our expert RallyPro Instructors.

SHOOT A LOT OF GUNS

Spend a lot of time on The FIRM's outdoor shooting range, learning to shoot a variety of high-powered weapons. Receive expert firearms instruction from a battle-tested Special Forces Veteran. "Rizzo" spent 26 years in the US Army Special Forces and was active in Operation Enduring Freedom and Operation Iraqi Freedom. The FIRM's arsenal includes pistols, rifles, shotguns, submachine guns and machine guns.

DRIVE A LAMBORGHINI

Take to the track and experience the top-flight handling of a world-class heavyweight. Drive the exotic Lamborghini Gallardo.

SKYDIVE

The fastest way to reach 120 mph is in a parachute. Trust us when we say there is nothing like the sensation of "falling" out of an airplane and freefalling toward earth. You won't be able to breathe until the chute kicks open and you begin your slow descent. You'll drift peacefully toward earth, suspended on air, enjoying a birds-eye view of our one-of-a-kind training facility until you're back on FIRM ground.

IT'S AN INCREDIBLE ADVENTURE FOR INDIVIDUALS AND GROUPS

FREQUENTLY ASKED QUESTIONS

WHEN CAN I DO THIS? The Ultimate Adventure Experience is offered all year long. Contact us to receive a list of available training dates.

ARE THERE ANY AGE, WEIGHT AND HEALTH RESTRICTIONS?

Virtually anyone at least 18 and in reasonably good health can participate. If you don't meet the physical requirements for the tandem skydive portion of The FIRM's Ultimate Adventure Experience, you can choose to spend extra time driving or shooting.

WHAT KIND OF GUNS CAN I SHOOT? Our gun cabinet includes a variety of Glocks, a Browning High Power 9mm, Sterling MK7 Fully Automatic 9mm, Lone Wolf G9 Semi-automatic Carbine 9mm, Roni G2 Semi-automatic 9mm, Suppressed Walther P22 .22LR, M4 carbine, M92 Kalashnikov, AKM, Remington 700 Sniper Rifle, AR-15 and a Suppressed Ruger 10-22. Our excellent Range Master will tailor training to your interests.

I DON'T WANT TO JUMP OUT OF A PERFECTLY GOOD AIRPLANE. IS THIS A PROBLEM? Those who would prefer not to jump can choose to spend extra time driving or shooting.

WHERE SHOULD I STAY? There are several hotels and campgrounds in the area, but our top vote goes to the Hampton Lake Bed and Breakfast, a one-of-a-kind piece of Old Florida located just 10 minutes from The FIRM. After an action-packed, adrenaline-filled day at The FIRM, we think you'll enjoy the retreat's relaxing atmosphere and lakeside setting.

WHAT ELSE SHOULD I KNOW? Racing cars, shooting guns and skydiving are inherently dangerous activities and carry the risk of accident or death. You will be required to sign a Release of Liability and agree to accept all risks.
