The Planes

Schleicher ASH-25

The ASH-25 is a two-seat high-performance Open Class glider with a wingspan of 25.6 meters (84 ft) and a never-exceed speed of 280 km/h (174 mph). It has a glide ratio of 60:1. Adventurer Steve Fossett set 11 world aviation records in the ASH-25.

The Game Bird GB1

The all-new German-designed and American built GameBird from Game Composites is light, fast, easy to fly and purpose built for aerobatic performance. The GameBird is rated to withstand +/- 10 g's. It has a maneuvering speed of 200 mph and a never-exceed speed of 270 mph.

The L-39 Albatros

The Czech-made L-39 is a high-performance military jet trainer produced by Aero Vodochody. The single-engine, subsonic jet aircraft has been used by more than 30 air forces to prepare fighter pilots for air combat. The L-39 has a maximum level speed at altitude of 780 km/h (485 mph) and is rated to handle +8/-4 g's.
