

One Incredible Wedding

Start your life together with your head in the clouds! Get married aboard the Beech Belle as she flies along the San Diego coastline.

You provide the wedding guests. We'll provide the flowers and champagne. Our perfectly-restored C-45 transport plane has eight seats... Just enough room to allow you to bring along two moms, two dads, a bridesmaid, best man and your soon-to-be "better half".

Let our pilot do the marrying or leave one of the parents at home and bring along your own master of wedding ceremonies. (Just don't ask us to help you choose which parent to leave behind.)

This incredible wedding package includes your mile-high ceremony plus a private four-course dinner for eight served by the Chef at the nearby Four Seasons Aviara Vivace Restaurant. Enjoy sparkling wine and canapés on the restaurant's veranda before dining on award-winning Italian food. Taxes, gratuities and restaurant parking are all included in the package price.
