Prepare for blast off! Rocket across the waves in an action-packed race to have the most fun. Learn the basics of high-performance boating in this incredible offshore boating adventure. Gather your friends, co-workers or family members for an adrenaline-packed day on the water. This adventure has been designed for groups of four.

The Offshore Driving Experience Sample Itinerary

Miami Beach to Key Largo/Islamorada

Ground School

Your adventure begins dockside at the Miami Beach Marina. There, you'll meet your captain and go over your pre-cruising vessel checklist. After a safety briefing and orientation, you'll begin your lessons at sea.

"Flight" Training

In the Intracoastal Waterway, you'll learn the rules of the road, speed zones and docking procedures. Then, it's into the Atlantic where you'll practice planing up to speed, maneuvering through zones, wave jumping, throttling, course maneuvering, starting and stopping.

Additional Details

This full day adventure typically begins and ends at the Miami Beach Marina. (Ft Lauderdale locations are also possible.) Lunch at a tiki bar and refreshments aboard the boat are included in our standard offshore adventure.

Optional Poker Run Modification (No Additional Cost to Participants)

Make stops along the way, picking up cards along the way. The person holding the winning poker hand at the end of the day will take home a prize, courtesy of Incredible Adventures.

The Offshore Rocket Team IA and Palm Breeze Charters

The Incredible Adventures Offshore Rocket Adventure is offered in cooperation with the incredible people at Palm Breeze Charters. They've been making boating dreams come true since 1987.

Lead Captain Charles Mount has been operating fast boats on Florida waters for over 30 years and has been sailing since the age of 19.

He and his team operate many of the chase boats for major powerboat races. You may have seen Captain Charles and his boats on MTV, Telemundo, The Travel Channel or the Discovery Channel. They've appeared on the TV show "Average Joe Hawaii", and a segment of the popular show "Nip/Tuck". The Palm Breeze team also played a part in the filming of the movie "Miami Vice".

You can rest assured we've found the best people to provide you with an offshore driving adventure.

Frequently Asked Questions

Will I get to drive?

Yes. Each of the boat's passengers take turns driving while an expert captain and throttleman provides instruction.

What is the boat capacity?

We have a variety of boats. Most hold four guests plus the captain. Usually, passengers ride in a standing position in individual, padded compartments. We'll work with you to find just the right boat(s) for you.

What does it cost?

\$9,575. US per boat includes captain's services, full day boat rental, fuel, dockage fees and lunch. Noise suppressors, speed goggles, life vests, cold soft drinks and towels are also provided. Hotel accommodations, travel to and from "blast off point" and alcoholic beverages are not included.

What if I don't have time for a full day on the water?

We'll be happy to put together a program that matches your available time.

I'm planning a group event. Are there other activities you can arrange?

Yes. We can add a BBQ on a local island, jet ski rental, sailing and other fun activities to your offshore adventure.

Are there any physical requirements?

Participants should be in reasonably good health. Although our boats provide a smooth ride across the water, this adventure is not recommended for people with serious back problems.

Two of Our Favorite Rockets

THE FINE PRINT

Offshore power boating is inherently risky. Participants will be required to sign a release of liability as a condition of participation in this adventure. High performance race boats are also more prone to engine malfunctions than conventional powerboats. In the event a program must be cut short for mechanical reasons, a pro-rated credit will be granted. In the event of bad weather, there is no refund. We will work with you to reschedule your adventure.
