

DIVE TIGER BEACH BAHAMAS

**INCREDIBLE
ADVENTURES**

There's a beach in the Bahamas unlike any other in the world. It's located roughly 20 miles off the coast of West End, Grand Bahama and buried like sunken treasure under crystal clear blue water.

Divers call it Tiger Beach. A lot of really big sharks call it home.

CAGE DIVE TIGER BEACH WITH INCREDIBLE ADVENTURES

One Day Cage Diving Adventure – No Experience Needed

Spend an incredible day cage diving with tiger sharks, lemon sharks, reef sharks and more. The Bahamas is one of the best places in the world to see and photograph big sharks in the wild.

No dive experience is necessary. All Incredible Adventures Tiger Beach adventures feature the use of a floating shark cage and surface-supplied air. If you can snorkel, you can most likely shark dive.

Our all-day “shark safaris” depart from Old Bahama Bay Marina in West End, [Grand Bahama](#). We depart the dock early in the day and return late afternoon. The marina is roughly a 40 minute car or cab ride from Freeport/Port Lucaya.
