

# Green Beret's Compass Course

*How to Stay Found Anywhere*

Next time you hit the trail, know exactly how to get where you want to go *and* make it back safely.

Learn to navigate in any terrain, any weather, any time. Our expert navigation specialist teaches you everything from time-trusted navigation techniques to the proper use of modern Global Positioning Satellite Systems. Our Green Beret's Compass Course takes camping to a whole new level.

*Choose from one of these three departure cities: San Francisco, Sacramento or Oakland*

### The Training Schedule

You'll depart your designated city with our instructor on Friday. Once you arrive at the training site, you'll make camp and get some sleep. Saturday will be a very, very long day!

Training begins promptly at 7 am Saturday morning and includes a variety of day and night land navigation exercises. The day concludes around 11 pm with a review of everything you've learned as you sit around the campfire.

Sunday morning, you'll depart for civilization shortly after breakfast, returning in time to catch an afternoon plane flight home, if necessary.
